Remains Of Hotel Destroyed In Fire Ordered Removed

Complying with a request from Supervisor H. G. Loehr that legal steps be taken to eliminate the unsightly and hazardous remains of the Olympic Hotel, destroyed by fire late in March, District Attorney Harold A. Berliner this week served notice on the owners to have the remains removed within 15 days or be subject to prosecution.

In his letter to Loehr, Berliner said:

"We appreciate your having brought to our attention the matter of the Olympic Hotel at Truckee.

"After consideration of the problems involved, it appears to us that the burned remains constitute a public nuisance, as defined by Section 370 of the Penal Code. In consequence of that decision, I have prepared notices to abate nuisance to be served upon the owner of the premises, requiring him to abate the nuisance within 15 days, or be subject to prosecution under the Penal Code for maintenance of a nuisance."

The notice was served on Jack Wittmier of Sacramento and was dated May 19, indicating the debris must be removed early next month.

It has been proposed that the site be established as a public parking lot as it adjoins the post office where parking is at a premium.

Burn Planting On Forest Completed

George Steed, district ranger of the Truckee District, Tahoe National Forest reports that the tree planting work on the Donner Ridge burn has been completed for this year.

All planting was done by two contractors, Wayne Young of Myrtle Creek, Oregon and Richard Bartels of Douglas City, Calif., Young planted 270,000 trees on 625 acres and Bartels 83,000 trees on 190 acres. All the trees were two and three-year old Ponderosa pine seedlings.

To insure that proper planting procedures were followed, Forest Service Inspectors Fred Scott, Don Rickert and Les Bagby checked an unspecified per cent of all trees planted.

To date, approximately 2,100 acres of the Donner Ridge burn have been planted. Plans for 1965 indicate that more tree planting will be done next year as another step forward in the rehabilitation of the land burned over in the disastrous fire of 1960.

Freak Mishap Is Fatal As Child Is Drowned In Box

Funeral services were held at the Truckee Colonial Mortuary Chapel Sunday at 1:30 p. m. for Patricia Ann Reynolds, 3½, victim of a tragic drowning accident Friday afternoon about 4 o'clock.

The little girl, daughter of Mr. and Mrs. Herman Reynolds, who reside at the Sierra Mobile Homes, was playing near her trailer home when she accidentally fell into a hydrant box. The box 19x10 inches and 30 inches deep, was partly filled with water. Her six year old brother, Michael saw the plight of his sister and ran to get the aid of another brother, Ronald. The latter pulled the child from the death trap and called for help.

A registered nurse, Nethelle Little, was close by and gave mouth-to-mouth resuscitation until the California Highway Patrol, sheriff's deputies and Dr. Ray H. Wiser arrived. All known methods to revive the child failed.

The body was taken to the mortuary where an autopsy revealed the cause of death as drowning.

The little victim was a native of New York, born September 6, 1960. The family had resided here only three weeks and the father was employed at Incline Village.

One sister, Roxanne, and four brothers, Donald, Ronald, Dave and Michael, survive. Her two grandmothers also survive. They are Mildred Johnson of Pomona and Nora Reynolds of St. Albans, New York.

Hi, golfers! Wasn't that Grass Valley tournament fun?

A large group went down Saturday, but the only ones caught in the rain were the Bob Bowers of Reno, Ben Kings and Bob Leamons.

This group joined the Jack and Cliff Ellis' and on to the Charles Osburns' where the Charlie Finks, Bob Moores and Ange Besios were staying. After cocktails, everyone went out to the new Alta Sierra Country Club. A dinner and a wonderful time was had by all 18.

Sunday morning was beautiful. Altogether there were 36 players from Truckee, not to mention those that attended but did not play.

The Grass Valley members had coffee and rolls ready in the morning, sandwiches and cold drinks between nines and a delicious steak dinner at the end of the play. Terrific hospitality!

Winners of the men's division were: 1st low gross, Elden Tonini; 2nd low gross, John Waller; 3rd low gross, Mike Popovich. First low net, John Waller, 2nd low net, Elden Tonini; Mike Popovich, Rex Reid, Bob Leamon, Ed Frates, Bob Tonini, Jack Ellis and Jim Walker all received a ball apiece.

In California...
after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In California, beer goes with fun, with relaxation

Give Serious Thought To The Next Four Years

The eastern end of Nevada County is approaching its most critical period. It can progress as it has in recent years or it can suffer setbacks. Much depends upon the representation we have in county government and this representation is provided by one man, your supervisor. Incorporation may change the entire picture, but with or without local government, administered on a local basis, the need for a capable, experienced supervisor, will still be a vital necessity.

My record in the past is proof of my capability. My promise for the future is that I will continue to represent this entire district to the best of my ability and with the interest of ALL the people in every precinct kept uppermost in mind. No single segment of the district will be favored or neglected.

As the time for the election draws near, I urge each voter to give serious thought to the next four years—they are important years and will demand full representation by your supervisor. The whole picture, not just petty grievances, should be taken into consideration.

"Vive Les Girls" Returning To Nevada Lodge With New Show Next Thursday

More lavish, more exciting than ever before, the all-new 1964 edition of "Vive Les Girls", conceived and produced in Paris, opens May 28 at the Nevada Lodge, the largest resort-hotel-casino at the North end of Lake Tahoe.

The 1964 edition of "Vive Les Girls" will feature a large cast of continental artists in more than a dozen breath-taking scenes. Producer-Director Frederic Apcar reports that the new revue coming directly to the Nevada Lodge from Las Vegas will be more exciting, more stunning production than the first edition which played to S.R.O. audiences all summer in the Lodge's Topaz Room Theater-Lounge and Dining Room.

The international show will offer "adults only" entertainment in song, dance and original musical presentations — complemented by unusual costuming and striking stage settings.

The cast of "Vive Les Girls" features performers from France, Germany, England and Italy. Among the headliners of the show are beauteous Jacqueline Douguet and Kim Darvos. Douguet, lead dancer in the show, is a 22-year-old beauty from Paris where she starred in the Casino de Paris. On the stage since she was 12, Douguet understandably is one of the reasons why the "Vive Les Girls" show should be a smash hit. Her acrobatic adagio act with "Mr. America-type" Bernard Chareyron has left audiences goggle-eyed and gasping up and down the Vegas "Strip" where it was last performed.

Conducting the music for the show is Jerry Gray and His Band of Today. Gray, well-known as the composer of "String of Pearls," "Pennsylvania 6-5000" brings to the Topaz Room his distinctive "solid instrumentals" of the big bands. For years, Gray was the arranger for Glenn Miller and Tex Beneke.

Also appeariong on the stage of the Topaz Room are The Esquires . . . a trio of dynamic, musically versatile comedians that has broken records throughout the Reno-Tahoe entertainment circuit. With Bob Hanna on piano, Joe Martini on accordion and Eddie Bee on bass, the trio romp through a collection of hilarious musical novelty routines, then turn serious for some exciting vocal stylings and instrumentals.

Show times for the "Vive Les Girls" revue are 9 p. m., 11 p. m. and 1 a. m. nightly except Monday, with dinner being served during the 9 p. m. show. On Monday evening, the Topaz Room of the Nevada Lodge will feature a $3.30 buffet dinner served from 6:30 p. m.

With over 12 acts and a corps of international beauties, the "Vive Les Girls" show is a revue that makes a visit to the Nevada Lodge this summer a "must" event. Reservations are advised if last year's S.R.O. business is an indication of the demand created by this exciting, adult review. Cameras are forbidden during show times . . . and, of course, the show is for adults only.

Helen Darling of Tahoe City returned to the Riviera Shop there with her foot just out of cast. She was unfortunate in breaking two bones in her foot and had been in a cast for the past few weeks.

Michaele Bosta, daughter of Jack and Terry Bosta, celebrates her first birthday May 26. Grandparents and Mike and Jo Bosta of Tahoe Vista.

Jack Masters of Sacramento opened his Tahoe Vista summer resort last weekend.

Celebrating her birthday at a picnic will be one year old Scott Soudon, nine months old Bernard Sheiner, two year old Kent Vaughn, ten months old Chris Stevens, four months old Gina Poggini, ten months old Timothy Anathosis, and her cousins, David and Vickie Keever. Needless to say all the Mommies are invited as well as grandparents and will no doubt have a better time than the young ones. Happy birthday Michaele.

The Women's Club of North Tahoe gave a farewell luncheon at the Topaz Room of the Nevada Lodge for members Theresa Sutton who is moving to Walnut Creek and Jetta Steward who will make a trip to the Orient.

Present were Inez Jordan, president of the club, Yvonne McCoy, Ruth Lavery, Jerry Rayburn, Ann Ross, Marguerite Ashton, Enola who came up from Carson City, Theresa Denton, Dorothia Whitley, Bethel Van Tassel, Ruby Faulkner, Audrey Welch, Irene Kaiser, Mae Springer, Carrie Gray, Anne Wilkins, Alice Sorensen, Toni Roberts, Claire Betencourt, Maxine Polzin, Jacquie Black, Emmajean Hume, Eleanor Egan, Lydia Cooley, Pearl Drulias, Iva Montgomery and Bern May. Good luck to both on their new ventures.

Ron Porath, son of Roy and Nellie Porath of Kings Beach, is home visiting from a two weeks furlough from the navy. He has been stationed in San Diego.

LaZelle Marley of Tahoe Vista visited relatives in Wheatland over the weekend.

Art Waddell, son of Red and Mary Lou Waddell of Kings Beach, sprained his ankle in a baseball game and is hobbling around on crutches.

Mary Lou celebrated her birthday on the 17th. Celebrated? She was working hard at their frostie when we saw her and didn't have time to say what she was doing by way of observance.

DONNER DOINGS

Tonight the Donner Lake Volunteer Fire Department Ladies Auxiliary will meet at Smart's Restaurant to discuss plans for summer and fall activities. Hostesses Marcelle Corro and Vi White hope for a big turnout at the dinner and business meeting conducted by president Charlotte Harris. If anyone has pictures of the wagon train, turkey shoot, water ski meet, etc. please bring them, there will be an 8 mm movie projector and screen available.

* * *

Well it looks like Jerie and Tommy Bonano will have the first swimming pool at Donner Lake. A large portable one is being installed at their Donlac Lodge on Highway 40 at the west end of the lake.

* * *

It's a wonder there are any more Kokanee left to catch, so many limits have been taken this past week, but fishing is still real good on Donner. Rex Reid has pictures to show people who ask the same old question every year at his Buliders Service Center, "Are there any fish in the lake"? Arranged near the entrance are snap shots of those big Mackinaw and the proud fishermen who caught them.

* * *

Only a few feet left to go, those pier legs are getting shorter and shorter, at last the lake is almost full.

* * *

We never cease looking out over Donner Lake and surrounding mountains and marvel at its ever changing view, but last week we certainly couldn't believe our eyes, There in the middle of the lake was a car! What looked like a strange type of boat was actually a cute blue convertible, wheels and all, just floating out there as natural as could be. Using binoculars, it was plain to see that the driver at the wheel had his fishing pole out the window, trolling for Kokanee. With the top up as it was, he would have had a hard time netting a fish and he wouldn't dare open the door. Whatever kept it afloat wasn't visable,, but it sure looked like the answer to a sightseeing and fishing vacation, an amphibious automobile. It must have caused some near wrecks on the highway, but it sure startled the fishermen and one curious fellow paddled out from shore in a kayak and overturned from shock. When through fishing, the owner just drove out of the lake and was on his way again.

* * *

Rummaging through some old magazines and papers the other night, we came across a copy of the now extinct Tahoe Tattler, Friday, November 27, 1959 to be exact. In it was a picture of T. E. Anderson and his big 13 pound Mackinaw. The story went as follows: "Tom Anderson, Homewood resident, is out to beat as many records as possible. A couple of weeks ago he drove his Viking speedboat, to first place in a handicap motorboat race. Now along comes Anderson with what he believes to be a record fish for the 1936 season. On Thursday, July 23, while fishing from the Obexer barge. Tom received a mighty pull on his line. He had 250 feet of silken line in the water . . . which is a job in itself to reel in . . . and quite something more when a fighting, angry Mackinaw is on the other end of it. Getting the fish alongside the barge, Tom almost lost him, gaffing him just as he shook the hook. The Mack tipped the beam at 13 pounds and was 33 inches long. Mr. Anderson used a 5-inch sucker for bait. Mr. Anderson is of the opinion that it bids fair to exceed any caught so far this year. Right?

Now, five years later, fishermen at Donner Lake hardly mention a 13 pounder especially this year since many Mackinaw's have been caught weighing at least 20 pounds and over. Chuck Baker of Donner Lake Chevron came in the other day with three beauties, 13,, 18 and 19 pounders, all caught within a few hours and he hardly thought it worth mentioning. Wow! Some change.

DRUNK DRIVING IS CHARGED TO RENOAN

Alden Ware, 48, Reno, was booked in the Sierra County jail on a drunk driving charge following his arrest a mile west of the Nevada state line by the California Highway Patrol. Ware was spotted by the Nevada police who notified the local officers when he crossed the state line.

LICENSES

Nevada marriage licenses were issued to the following couples: Edmund White, 37, of Crystal Bay and Agnes Hahn, 26, of Reno.

Robert Maloney, 40 and Donna Kunzer 29, both of Incline Village; Edward Beatty, 52, of Crystal Bay and Marion Allsup, 40, of Reno; Lawrence Lorea, 32 and Margie Hash, 23, both of Tahoe City.

Your Supervisor Should Be

It is our feeling that, the obligation of the Supervisor, to adequately represent the constituents of his fifth district, has become a full time occupation—It is our promise to devote full time to the ever-increasing needs and activities of this office.

WILL our present supervisor (asking to be re-elected) offer as much?

RECREATION AND TOURISM now becoming our chief ECONOMIC "Lifeline", it is even more necessary that we ALERT ourselves to the many factors that are involved.

WHY not elect a person to "get the job done" who has proven his interest and has been working for our area for the past several years?

IT IS OUR FEELING that the obligation of our SUPERVISOR must be to justly represent all AREAS, as well as all voters and persons within our fifth district. This means making occasional visits to meetings of various organizations.

How else can our representative become aware of our problems? Unfortunately, our supervisor has not been so inclined, which has left some areas without just representation.

MRS. ROBINSON WAS HONORED AT PARTY

Mrs. Craig Robinson was the honored guest at a stork shower recently, given at the Donner Trail Estates home of Mr. and Mrs. Jim Smith. Mrs. Harold Brown and Mrs. William Tamblyn were the hostesses for the evening.

Pink and blue decor of flowers, storks, and a large blue sign welcomed the baby-to-be.

Besides the hostesses, those enjoying the fun filled evening were: Mmes. Jim Smith, Robert Lewis, Richard Bollin, Errol Kehm, Dave Rickert, Anthony Pace, William Waters, Ron Gautsche, George Hansen, Floyd Cooper, Robin Johnson, John Firpo, Gerold Shaw, Anthony Silva, Kenneth Osburn and Jim Larson.

DEDICATE BUILDING

(Continued from Page 1)

Other members of the building committee present were John J. McGlade, Dale L. Smith, Howard Bennetts and Albert Casey.

All members of the board of supervisors were introduced by Chairman H. G. Loehr. They were Gene Ricker, Neil Hennessy, W. W. Bishop and Don Blake and each spoke briefly.

Undersheriff Frank Gallino, president of the Nevada County Employes' Association presented the National and State flags to Chairman Loehr, who in turn turned them over to Commander Charles Bunt of the Truckee Post of American Legion and the color guard ran them up the mast as the Community and Tahoe Truckee High School band played the Star Spangled Banner. The band created a favorable impression under the direction of Frank Austin, it being the first time the group has played in public.

Miss Pamela Rose delighted everyone with her solo.

Robert Paine of Nevada City and well known here where he has previously officiated, gave a very interesting well-timed dedication address, stressing the hard work and concerted efforts which went into obtaining the new $250,000 building. Planning, it was pointed out, started in 1957 and since that time both the supervisors and building committee have spent long hours, against terrific opposition, in completing the sorely needed facility.

John T. Trauner, Nevada County clerk and ex-officio clerk of the board of supervisors, as president of the Department Heads Association, presented the attractive bronze plaques for the building to Halls.

Two men who have played a very important part in the building program, the contractor John Gallino and the county purchasing agent, Clare Hughes, were introduced, as were other notable guests.

Telegrams of regret and congratulations were read from Congressman Harold "Bizz" Johnson and State Senator Paul J. Lunardi who were unable to attend.

Rev. Sidney Smith delivered the invocation and the closing prayer. Coffee, punch and cookies were served as the visitors were conducted on inspection tours of the building.

Throughout the afternoon, the wind blew constantly but failed to hamper the proceedings, although at one time it forced most of those attending to seek refuge inside the building.

Following the program, the Department Heads Association held a banquet at Donner Lake Lodge.

PLACER RECREATION

(Continued from Page 1)

recreation and use of wilderness lands are of significant interest to Tahoe area residents—both in the county and out.

The plan points out that by 1985 the present investment in land and money for winter sports will have to be more than doubled to meet the demand.

Simply meeting the physical demands for facilities will not be enough the supervisor added. "We must preserve our resources and protect our property while developing the economic potential of the area," Briner said.

The Tahoe City hearing on the recreation plan was the second in a series to be held throughout the county by the commission.

The plan has been designed as the recreation element of the county general plan and will become a land use guide upon adoption by the planning commission and the board of supervisors.
